Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

32 POEMS (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thirty-Two Poems Derived from Random Word Associations is exactly that. Each poem in the collection was created from random word samples taken from a classic text. The books from which the poems were made include well-known works such as Aesop s Fables, Alice s Adventures in Wonderland, The Call of the Wild and The Adventures of Sherlock Holmes. Other works include Kafka s The Metamorphosis, The Prince, The Kama Sutra, Paradise Lost, Jane Eyre, Sons and Lovers, Satyricon, Pascal s Pensees, Thus Spake Zarathustra and The Picture of Dorian Gray. These poems are not your typical machine generated texts. These poems are poems in every sense, insightful, beautiful and deep, each as different in style and context from the others as is the book from which it was derived. A number of the poems have been previously published in Jonathan Penton s Unlikely 2.0.
