WestBow Press, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****.Marriage is not easy, and anyone who enters a marital relationship thinking that it is will likely be disappointed quickly. Even so, difficult times do not necessarily mean the end of a marriage-not if both partners are willing to work on making it better. Author Dr. Jerry Adamson s M3: Making Marriage Meaningful offers advice and practical, real-life examples of counseling situations and current issues that can either make or break a marriage. Each section includes suggested Scriptures and a focused prayer to encourage individuals or couples to draw close to a wise and loving God. Using humor and honesty, this guide presents a workshop of ideas for growing toward an ideal marriage. It includes information on establishing proper perspective, helpful hints for having fun, and methods for dealing with dysfunctions. It also explores key turning points in a marriage, ways to deepen your relationships, and a variety of topics related to children. M3: Making Marriage Meaningful is intended for pastors, counselors, and as a tool for classroom study, but it is also a very personal book for couples, seeking to help them make discoveries about marriage.
