Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Healing Herbs How to Make Money Growing Herbs Within the pages of this book you will be taken through the world of herbal gardening step by step right to the point where you may decide that you are ready to make some money from your herbs. In the world today many people are turning to a more Green lifestyles which for many includes growing their own fresh organic herbs. People are finding many reasons to have an interest in growing their own herbs from culinary tastes, to health, and beauty. Whatever the reasons are behind you taking an interest in herbal gardening I can assure you that this book will cover the basics of herbal gardening and beyond. If you are someone that is new to gardening then a great way to introduce yourself as a beginner gardener is to start yourself off with a herb garden and expand from there. I suggest this as in general most herbs are fairly easy to grow with minimal amount of care. Starting with herbs can help build your confidence to eventually try to grow more difficult plants. If you are an experienced gardener you will still benefit from the suggestions we have on how to design and plan your garden as well as types of plants-culinary or medicinal that you may want to include in your garden along with ways that you can make money from your healing herbs. You will learn: About different types of herbs. What the Top 10 Culinary and Medicinal Herbs Are. How to keep your herbs, healthy and happy. Ways you can make money from your healing herbs.
