Medicine as Culture: Illness, Disease and the Body (Hardback)

By Deborah Lupton

Sage Publications Ltd, United Kingdom, 2012. Hardback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. Lupton s newest edition of Medicine as Culture is more relevant than ever. Trudy Rudge, Professor of Nursing, University of Sydney A welcome update of a text that has become a mainstay of the medical sociologist s library. Alan Radley, Emeritus Professor of Social Psychology, Loughborough University Medicine as Culture introduces students to a broad range of cross-disciplinary theoretical perspectives, using examples that emphasize bodies and visual images. Lupton s core contrast between lay perspectives on illness and medical power is a useful beginning point for courses teaching health and illness from a socio-cultural perspective. Arthur Frank, Department of Sociology, University of Calgary Medicine as Culture is unlike any other sociological text on health and medicine. It combines perspectives drawn from a wide variety of disciplines including sociology, anthropology, social history, cultural geography, and media and cultural studies. The book explores the ways in which medicine and health care are sociocultural constructions, ranging from popular media and elite cultural representations of illness to the power dynamics of the doctor-patient relationship. The Third Edition has been updated to cover new areas of interest,...

Reviews

If you need to adding benefit, a must buy book. it absolutely was writtern extremely perfectly and beneficial. You are going to like the way the blogger compose this publication.

-- **Orlando Abernathy**

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).
