

The Human Drift (1917). by: Jack London: Socialist Utopia (Political) (Paperback)

By Jack London

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Human Drift is a work of Utopian social planning, written by King Camp Gillette and first published in 1894. The book details Gillette's theory that replacing competitive corporations with a single giant publicly owned trust (the United Company) would cure virtually all social ills. One-third of the book is devoted to Gillette's plan for an immense three-level metropolis (called Metropolis) on the site of Niagara Falls. Designed to accommodate a population of tens of millions of inhabitants, the mega-city would draw its electric power from the Falls. (A photograph of the Falls served as the book's frontispiece.) The first large electrical generating facilities at Niagara Falls, utilizing the new alternating current system of Nikola Tesla and George Westinghouse, were being constructed at the time Gillette wrote.[2] Gillette's city was to possess a perfect economical system of production and distribution, run by the United Company; it would in fact be the only city on the North American continent. Economies of scale would mean that a single one of every necessary facility - one steel...
