*It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.*

## SAVING PERFORMING ARTS: HOW TO KEEP ORGANIZATIONS FINANCIALLY HEALTHY AND ARTISTICALLY VIBRANT (PAPERBACK)

iUniverse, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When Ernest Auerbach took the helm at Austin Opera in 2011, the organization had been in existence for twenty-five years and was near bankruptcy. In the years leading up to the financial disaster, the Opera's well-meaning board of trustees and staff leadership had somehow lost sight of the fact that while opera is an art, running an opera is a business. Now it was up to Auerbach to save it from collapse. Auerbach—a seasoned military leader and corporate executive—provides insight into the business model he developed to achieve a financial and artistic turnaround at Austin Opera as well as examples, methods, and tools that will help other performing arts organizations design their own sustainable business model and avoid a downward turn. Nonprofit leaders will learn how to: Recognize signs of an impending disaster Gain trust and effectively communicate with allies Develop priorities during a financial crisis Focus on organizational details while maintaining a mission Keep patrons, donors, and trustees happy Saving Performing Arts is a concise survival guide designed to help performing arts organizations avoid trouble and become successful organizations with excellent future prospects and money in the bank. A great lesson in leadership for those in every sector of the performing arts. -Kevin Smith, Opera America field consultant.
