CLYDE BUILT The Blockade Runners and Cruisers of the American Civil War

By Eric Graham

Birlinn. Hardcover. Book Condition: New. Hardcover. 256 pages. Dimensions: 9.2in. x 6.2in. x 1.1in. The Civil War of 1861-65 was one of the defining moments in the history of America. The Blockade of the US Southern ports during the war is well known. Less well known, however, is the role that Scotland played in this aspect of the conflict - almost 40 per cent of the ships were Scottish. This should not be surprising, however: at the time the fastest ships in the world were Clydebuilt, so it was natural that the Confederacy should turn to Scotland in their desperate bid to beat the tightening Northern Blockade. The ideological conflict unfolding between American anti-slavery supporters and anti-abolitionists also spread to the other side of the Atlantic and forced the Scots to examine their own values, polarising opinions and forcing the individual to reassess their position concerning basic human rights. Using contemporary accounts and individual case studies, combined, Clydebuilt presents a full and fascinating account of Scotlands involvement in the American Civil War Blockade, an involvement which almost certainly prolonged the conflict by several years. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
