

Elements of Thought: Or, Concise Explanations of the Principal Terms Employed in the Several Branches of Intellectual Philosophy (Paperback)

By Isaac Taylor

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE TO THE FIRST EDITION. The design of this volume is to impart, in a familiar form, elementary explanations and instructions on subjects connected with the intellectual faculties; to afford gradual and easy exercises to the powers of abstraction; and thus to conduct the young reader, by an accessible path, into that region of thought where the mind acquires force, accuracy, and comprehension. A writer who invites the attention of young persons to subjects which demand a continued effort of thought, is tempted to win that attention by some promise of amusement; or to profess that he has the art of communicating knowledge without the cost of labour on the part of those who receive it. No such promise or profession can be offered in the present instance. The author believes that when the object intended is to give tone and vigour to the understanding by exertion, trivial digressions and gaieties of style should be avoided. Relaxation from efforts of attention is perhaps always better provided for away from books than in them; or at least it should be entirely...
