Page Publishing, Inc., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Most of us believe because it is what most people believe. Few question. Few jump off the bandwagon to hitchhike down the road of the uncommon. We evolved from monkeys, or so Charles Darwin claims, but what if, that isn t the case? What if we came from something else? Too radical? Not to the open minded. We were created by God and made to live on earth as procreators, but what if that wasn t what really happened? What if our presence here on earth was a choice? Our choice, to be exact. Nothing is impossible. Possibilities exist. It is up to us to believe or refute. We may be missing out on a lot of things, but we can do something about that. Wouldn t you like to?.
