

I Am the Last Triplet: Born Prematurely (Paperback)

By Chaddrick Charlie Brown

iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My book is to give encouragement to parents and anyone taking care of children, with health problems. Even with the health problems. They still can have a life. I would like to say thank you to my parents and other parents for taking care of premature babies. Thank you, to people taking care of any handicapped person. I have many permanent health problems, which makes my life hard. I don't complain. I just think of my brothers, smile and continue on. Maybe my book can help handicapped people see, if I can do it, they could too. Maybe I can make enough money to support myself, because nobody will hire me and can't get government assistance until my scoliosis gets worse. My parents have to pay for everything, even this book. I thank God for them.
