Trafford Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of this book is driven by the greatest challenge to the born-again believer in these momentous days of the end time. And that is to attain the spiritual maturity required to operate in the apostolic power and dominion demonstrated in the book of Acts. Only this course of action will combat and overcome the vicious spirit of the Antichrist rapidly rising in the world today, empowering us to effectively reap the end-time harvest. The key spiritual growth cycle concepts discussed in this book to reach this objective include relationship, transformation, dominion, agape love, humility, unity, prayer. Today, the challenges of the battle and harvest seem an insurmountable task unmatched in the history of mankind. The church has never worked in a harvest or fought in a battle like that of today. The seemingly impossible task to reach the lost of this godless generation, with time running out, sets the stage for God to do a new thing, a supernatural thing. Our great omnipotent God is calling every born-again believer to partner with Him at the supernatural level as a son of God, fighting in His battle and working in His harvest with dominion over Satan and sickness.
