Sencillo Limited, United Kingdom, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. a gripping and hugely entertaining story that is difficult to solve and even more difficult to put down. - New Scientist At a London university, in 2010, a group of students meet in secret to conduct dangerous experiments that have already cost one person s life. They believe they are pushing the frontiers of physics but their experiments also blur the boundary between what s real and what s perceived - with horrifying results. Twenty-five years on in Manhattan, one of the surviving members of the club lives under a new name, Steel, in a world transformed by the ever-accelerating pace of technology. When a pregnant stranger, Skyler, is dumped on his doorstep with a sinister note, Steel finds himself in a race to restore her memory before they are both killed by an assassin with a terrifying gift. What is Skyler s connection to Steel s past life in London, and how much longer can he protect the world against the secret that he s guarded for decades? He must find out quickly - it is not just their lives at stake - but the very fabric of reality that hangs in the balance. The Looking Glass Club is a fast-paced SF thriller, exploring head-spinning themes in physics and philosophy, and is already being hailed by some as a classic in the making. In addition to being an addictive read, there is a competition associated with the book: solve the cryptic puzzles found between each chapter - left in a diary by a character from The Looking Glass Club - and one reader could win up to 1 million pounds sterling (\$1.6m) in a prize competition being funded by book...
