

## Application of the International Classification of Diseases to Neurology: ICD-NA (Paperback)

By World Health Organization(WHO)

World Health Organization, Switzerland, 1997. Paperback. Condition: New. 2nd Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Gives specialists in the clinical neurosciences a detailed and authoritative instrument for coding virtually all recognized neurological conditions. Both neurological diseases and neurological manifestations of general diseases and injuries are included in this comprehensive coding tool. The volume is part of a growing family of specialty-based adaptations of ICD-10, which retain the core codes of the parent classification while providing extended detail at the fifth character and beyond. Now in its second edition, ICD-NA has been revised to reflect current clinical concepts in the neurosciences as well as the new coding system introduced with ICD-10. The classification was finalized following extensive consultation with numerous professional organizations and international experts, thus ensuring the representation of as many viewpoints as are practical and consistent. While remaining directly compatible with ICD-10, ICD-NA offers clinicians and researchers much greater precision, allowing them to match an explicit diagnosis with a detailed code at the five, six, or seven-character level. In addition, a comprehensive alphabetical index and the extensive...
