Maddestmaximvs: Planet & Stars Sequence

By French, Blair;Christov-Bakargiev, Caroly

Black Inc, 2009. Hardcover. Book Condition: New. 1. 12.9 x 19.8 cm. Published on the occasion of the 2009 Venice Biennale, MADDESTMAXIMVS - PLANET & STARS SEQUENCE is a project book and catalogue, documenting a new major body of work by Shaun Gladwell. The publication maps the project in its entirety. Commencing in 2007, MADDESTMAXIMVS has continued with a series of recorded performances and sculptures that investigate representations of landscape and the mythological figures that are projected into these spaces. The installation in the Australian Pavilion in Venice will consist of several projects that intersect each other through various locations and performances. Rather than picturing landscapes, Gladwell's project questions the very history and representation of these locations. Introduced with local references, the project offers international identification and relevance. Through performance, Gladwell re-imagines the Australian hinterland, negotiating the conventions of art history and traditional landscape painting. This meditative investigation articulates Gladwell's discursive approach to contemporary art and structures the project as a free, contemplative space. Roadkill kangaroos are found on the side of highways by a black leather clad motorcyclist and given a ritualistic burial, a figure surfs a vehicle as it moves through desert roads, a masked individual rapidly...
