Forgotten Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Man a Soul; or The Inward, and The Experimental, Evidences of Christianity by Artemas Bowers Muzzey is a spiritual, philosophical, and religious examination of the very nature of man. Based on a series of conversations Muzzey had with a man near the end of his life, in which God was pleased to bless to him the words of my lips, this book intends to impart the wisdom of Muzzey s teachings to those interested in spiritual discussions anchored in the Christian faith. The author writes in an accessible style, inviting the reader to join along on a spiritual journey. However, this book is probably most intended for a Christian audience, and it is followers of the Christian faith that will likely...
