

Hand-Book of British Guiana (Classic Reprint) (Paperback)

Filesize: 2.8 MB

Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

(Melody Jakubowski)

HAND-BOOK OF BRITISH GUIANA (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Hand-Book of British Guiana The soil of the coast consists of a mixture of clay and mud of considerable depth and almost unequalled richness. Alterna tion of the crops is unknown, sugar-canes growing year after year in the same soil with hardly any deterioration. To increase the production, however, most of the plantations use chemical ma nures, and especially lime, which latter is almost wanting nat urally. With such a soil and heavy rainfall, it follows that crops are also heavy, while almost every tropical production can be grown to perfection. Nothing can exceed the luxuriance of the vegetation, weeds of course coming to the front and chok ing the cultivated plants if not kept under control. Plantains, Indian corn, yams, sweet potatoes, and a host of fruits ripen all. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
