Have you ever come across someone who alien-ated himself from his family because of a so-called spiritual experience? Can you explain why a godly dream would make someone amputate the hands of his own sister? Have you ever had a dream where someone wanted to have an affair with you? If you answered yes to any of these questions you could be dealing with a familiar spirit. They are a category of evil spirits whose activities have remained largely undetected because of the lack of information concerning them. As a result some Christians have become victims of these shadowy spirits with disastrous consequences. Through deception they can destroy marriages, families, and even churches. This book will reveal the nature and activities of familiar spirits by using the Scriptures, visions, and personal experience. It will help you understand, identify, and defeat them in the name of Jesus.
