The Universes of God 3: The Chronicles of the Antichrist continues the sprawling epic of the Word of God, from beginning to end in the vein of Paradise Lost. Learn what the future really brings and get a PhD on the Tares, their history of scalding evil, where they came from and why God hates them so much. Who are the Tares that the Lord said are not his children, that will not even see Judgment Day, that were permanently cursed from umbilical cord to umbilical cord by the Lord - in the Garden of Eden? Can you identify them or understand how they've shaped the world for the evil called the One World Order? They're the hidden fifth race of mankind Jesus himself warned the world to beware of - and of that fact, the Christian world remains willful silent. Immerse yourself in the horrific war between good and evil that culminates in the second coming of Christ. See how the whole world surges deceived as the Elect fight against the forces of darkness, as the False Prophet leads the greatest revival the world will ever see. You are there with the Angels, the good and bad, in Heaven and in Hades, and throughout the great expanse that's called the Spirit World. This third novel of the quadrilogy will take you from Titus (70 A.D.), to the third Adam, deep into the history of the Synagogue of Satan, from before the Garden, everything in between, to their reorganization of evil into a global force, to the real Anti-Christ, to Jesus triumphant return. Learn why Jesus said that all the pervasive evil in the world, from...
