*It is great and fantastic. Better than ever, though I am quite late in starting to read this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.*

## FINDING FOREVER (PAPERBACK)

Prioritybooks Publications, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is said that if you let something go and it returns, it was always yours to begin with. Does true love really exist? For Koran, it did more than eight years ago when the love of his life left without an explanation. Once brokenhearted, time heals all things and being the big baller that he is, love for him now is riding around in his expensive cars, wearing the best jewelry money can buy and staying dipped in the latest fashions, while lying back in his beautiful crib. Whitney left Koran, the love of her life, so long ago. The pain she felt, knowing she would never see him again was so great that she was unable to express why she had to go. Leaving Koran was hard, but facing her problems was worse. Returning with a Bachelor's degree, a new lease on life and working on her Master's she suddenly comes face-to-face with the man of her past. Unfortunately, Koran is living a different life with his crew, than the one they talked about as teenagers. Will love return, and if it does will Koran give up his lifestyle of selling dope and chasing after more and more money or will he follow his heart back into the arms of his first love?.
