Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Pastoral Sketches: Or Descriptions of Real Characters, Striking Facts, and Conversations The following sketches of real characters, conversations, and striking facts, are taken, by permission, from the American Pastor s Journal. They were furnished for that work principally by clergymen, and as the different cases have come under the personal observation of the respective writers, they may be received with entire confidence in their authenticity. It has been thought that a collection of the most interesting and appropriate of these, would form a useful volume for the libraries of Sabbath Schools. Few works have been found so valuable for this purpose, as well written biographies of children and young persons, who have experienced the saving power of divine truth in early life. How many persons, who have subsequently been distinguished for eminent piety, have dated their first deep religious impressions from a perusal of the Memoir of some devoted Christian. - No inconsiderable portion of the Bible itself is made up of biography. We might infer from this fact alone, that such is a judicious method of urging the claims of religion upon mankind. The following work partakes of the general character of this kind of writing.
