Brand New Book ***** Print on Demand *****.Recently, there have been many books, television shows, and even a feature-length motion picture about the year 2012, specifically about Friday, December 21, 2012. They are based on prophecies and ancient calendars, all of which end on that mystic date. This booklet is different. On just a single page, the true meaning of December 21, 2012 is revealed through a simple accounting formula that ties in both the Holy Bible and the new global economy. It appears to answer a question that has puzzled Christian theologians for centuries. Get a copy of this booklet for your family and friends. In fact, everyone in the world, who expects to be alive in 2012, should prepare themselves for what might occur that year. The Final Days Diary section of the booklet allows one to record daily thoughts, feelings, and prayers leading up to what might be one of the most important days in world history.
