# Testify: How I Got to Here from There (Paperback)

By K R Bowman

iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Most people can remember and relate to the mountaintop experiences they have had during their lives, such as birthdays, graduations, getting married, having children, getting a job, etc. Those experiences are great. But what about the valley experiences we also go through during our lives, such as sickness, addictions, divorce, depression, death? We usually don t like to remember those times in our lives, let alone talk about them. In Testify: How I got to here from there, K. R. Bowman shares not only some of his mountaintops, but also some of his valleys he has been through in his life. What is the result of these two factors in his life? That his faith has grown through both of them. Thanks for allowing me to read your autobiography. Very interesting and your brutal honesty causes one to do some self-examinations. I am particularly impressed with how you weaved God s Living Word in with your experiences giving it Life Application. Pastor Lee Rucker Jr.
