Random House USA Inc, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. The dazzling fifth volume of Diana Gabaldon s extraordinary Outlander saga, featuring 18th-century Scotsman James Fraser and his 20th-century time-traveling wife, Claire Randall. The year is 1771, and war is coming. Jamie Fraser s wife tells him so. Little as he wishes to, he must believe it, for hers is a gift of dreadful prophecy--a time-traveler s certain knowledge. Born in the year of Our Lord 1918, Claire Randall served England as a nurse on the battlefields of World War II, and in the aftermath of peace found fresh conflicts when she walked through a cleftstone on the Scottish Highlands and found herself an outlander, an English lady in a place where no lady should be, in a time--1743--when the only English in Scotland were the officers and men of King George s army. Now wife, mother, and surgeon, Claire is still an outlander, out of place, and out of time, but now, by choice, linked by love to her only anchor--Jamie Fraser. Her unique view of the future has brought him both danger and deliverance in the past; her knowledge of the oncoming revolution is a flickering torch that may light his way through the perilous years ahead--or ignite a conflagration that will leave their lives in ashes. Grand, sweeping, utterly unforgettable, The Fiery Cross is riveting entertainment, a vibrant tapestry of history and human drama. From the Hardcover edition.
