Design Originals, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. If you enjoy working with fabric, quilts and embroidery, you will be inspired with Zentangle. Begin by drawing simple tangles on fabric. Like needle and thread, Zentangle and fabric are meant to marry. You will love the calming process. You can learn to use permanent fabric markers to add unique tangles onto quilt blocks, postcards, ATCs and wearables. You can experiment with the decorative stitches on your machine as you stitch blocks with tangles. You can turn your sewing machine loose and feel the zen of free-motion quilting on wall hangings or quilts.
