As seen on Amazon Prime TV. What if your future was the past 1946, and Claire Randall goes to the Scottish Highlands with her husband Frank. It's a second honeymoon, a chance to learn how war has changed them and to re-establish their loving marriage. But one afternoon, Claire walks through a circle of standing stones and vanishes into 1743, where the first person she meets is a British army officer - her husband's six-times great-grandfather. Unfortunately, Black Jack Randall is not the man his descendant is, and while trying to escape him, Claire falls into the hands of a gang of Scottish outlaws, and finds herself a Sassenach - an outlander - in danger from both Jacobites and Redcoats. Marooned amid danger, passion and violence, her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. (Previously published as Cross Stitch) 864 pp. Englisch.
