Filesize: 8.66 MB

### Reviews

*A whole new e-book with an all new viewpoint. I could possibly comprehend every little thing using this created e pdf. I am just very happy to inform you that this is the greatest book i have read through within my own life and could be he best pdf for ever.*  
(Hank Treutel)

## STICKY FACTS: CONSTRUCTION ZONE (PAPERBACK)

Workman Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. A totally new idea in sticker books, combining the joy of learning with the joy of stickers. It s an innovative, kid-friendly approach to beloved topics for ages 6 and up, featuring a cutting-edge sticker sheet design that allows for text and color images to appear underneath the sticker. Here s how it works: Read a question, then peel off the corresponding sticker to reveal the answer underneath. The fun doesn t stop there--place the sticker on the facing activity page to create a book of facts and images that can be enjoyed again and again. Once all the stickers are peeled, kids are left with a beautifully designed, information-rich book full of diagrams, facts, and personalized pages to read again and again. Sticky Facts: Construction features dozens of stickers of sky-high cranes and earth-scraping excavators, monster trucks, and clattering power tools. It shows how to create a construction site--and lets kids learn all about the special tools and vehicles we use to build.
