THE RIGHTS OF MAN

To read **The Rights of Man** PDF, remember to refer to the web link below and save the ebook or have access to additional information which might be highly relevant to THE RIGHTS OF MAN ebook.

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Rights of Man, Thomas Paine, Eric Foner, Henry Collins, One of the great classics on democracy, "Rights of Man" was published in England in 1791 as a vindication of the French Revolution and a critique of the British system of government. In direct, forceful prose, Paine defends popular rights, national independence, revolutionary war, and economic growth - all considered dangerous and even seditious issues. In his introduction Eric Foner presents an overview of Paine's career as political theorist and pamphleteer, and supplies essential background material to "Rights of Man". He discusses how Paine created a language of modern politics that brought important issues to the common man and the working classes and assesses the debt owed to Paine by the American and British radical traditions.
