UNIFORM 133

iUniverse, United States, 2006. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Born to a middle-class family in central Illinois, author Behr lived the typical middle-class lifestyle, but always felt as if something were missing. When he became a plainclothes store detective hunting shoplifters, he suddenly realized his calling in life-to become a police officer. After passing the tests required to attend the police academy, Behr was eager to begin his journey into law enforcement and make a difference in the world. For the next twenty-nine years, he served as a rookie officer, an undercover narcotics detective, a midnight officer, and even as an acting sergeant in a politically charged atmosphere. Uniform 133 also includes entertaining stories from Behr s career. From the antics at the academy to the tribulations of Internal Affairs investigations and stories from the street, Behr s autobiography serves as a telling testament to the truth behind the glamorized myth of being a police officer.
