Reviews

Very useful to all of group of folks. I could possibly comprehended every little thing using this created e book. You wont truly feel monotony at anytime of your time (that's what catalogs are for concerning in the event you ask me).
(Claire Carroll DVM)

WHAT'S YOUR NUMBER?

HarperTorch, United States, 2011. Paperback. Book Condition: New. Reissue. 201 x 135 mm. Language: English . Brand New Book. How many men does it take to find true love? When Delilah Darling reads a survey revealing that most people have 10.5 sexual partners in their lifetime, she begins to feel like a tramp. She's slept with nineteen men so far---almost twice the national average. During a self-help moment, she vows to cap her number at twenty, swearing she'll save her last spot for the right guy. But after losing her job and having a wild night on the town, she falls into bed with Mr. Wrong. Unwilling to up her number, but also unable to imagine a life of celibacy, Delilah does the only thing a girl in her situation can do: she tracks down every man she's ever slept with in a last-ditch effort to make it work with one of them. A hilarious romp through Delilah's past loves, *What's Your Number?* shines a spotlight on every woman's dirty little secret and proves that, when it comes to matters of the heart, sometimes numbers tell only a fraction of the story.
