Lets Go Publish!, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When I began to write they called publishing your own book, the Vanity Press. To avoid the scourge, you had to do handstands talking to publishers who did not want to read your manuscript. Most gave up. I was lucky, I had a friend who worked for a Publisher, Harper Rowe and I got a break that I could not get again if I tried today. Instead of a vanity press, which implies you are writing your autobiography because you are too unimportant for a publisher to want it, today self-publishing is the preferred way to bring out a new book. Tens of thousands of great authors have had enough with snobby publishers and author s agents. So, they either start their own companies, or they use phenomenally easy to work with organizations such as Create Space to publish for them. In these cases the author has some work to do but believe me it is easy to get published. CreateSpace will assure that you have a work that you will be proud of. You came to the right place by picking this book. Not only do we walk you through CreateSpace and how to get your completed manuscript published, we also show you how to complete your manuscript so it is acceptable to CreateSpace or any other publisher in the world. We show you the ins and outs of writing a book using Microsoft Word as your author tool, We show you how to structure your book, create table of contents and indexes; how to format your chapters and lots more. We then show you how to upload your document file to CreateSpace so that you too can one day...
