

The Magic of Vedic Mathematics

By Mayank Garg & RPH Editorial Board

Ramesh Publishing House, 2015. Paperback. Book Condition: New. Vedic Mathematics is a method of calculation used by sages in ancient times, The Magic of Vedic Mathematics is a book that shows you how to master Vedic mathematics independently, without the help of any expert. Each page of this book is designed to gradually decrease the fear of numbers and mathematics from the mind of the readers, increase their interest and competence in these, and boost confidence in the capacity of their minds. As they learn each new technique of Vedic Maths, their speed and accuracy of calculating numbers and solving sums enhances, and their dependence on calculators and computers decreases. Each chapter introduces new techniques illustrated by several solved examples in a simple easy-to-understand manner suitable for readers of all age-groups.
