India in the world. Conclusion: a heterogeneous present. Epilogue June 2014. Notes. Bibliography. Index. This book traces the post-1989 tectonic shifts in Indian society, economy and polity, which marked the unraveling of the Nehruvian consensus around a modern, secular nation with a self-reliant economy. In this period of rapid transformation, caste and religion have come to play major roles in national politics, global economic integration created conflict between the state and dispossessed people, even as the processes of globalization enabled new spaces for political assertion, such as around sexuality. Simultaneously, older challenges to the state have continued in Kashmir and the North-East, while Maoist insurgency deepened its bases in the heartland. And in a unipolar world characterized by American hegemony, questions have arisen about the relevance of non-alignment for India as a nuclear power. The epilogue to this edition makes the narrative...
