While written with piano students and their teachers in mind, the course is adaptable to other instruments. It has been in use since 1989, available only by mail order as a desktop publication of the Keynote Independent Theory Service or KITS. Teachers and students nationwide have enjoyed a traditional approach to the fundamentals of music, from note reading to harmonic analysis, scale playing to melodic dictation. KITS Director, Christine A. Murow, author of the course, has now published it online for the convenience of many KITS subscribers who have depended on it for years, as well as for newcomers. With this new move, she hopes also to further the teaching of music theory into the future.
