Templar Publishing. Paperback. Book Condition: new. BRAND NEW, Tree Trouble, Kathryn Lamb, Eco-worriers, Evie and Loa, are very, very concerned at the state of the planet. In their efforts to raise awareness at their hugley wasteful school, they decide to raise money for reforestation in Africa by putting on a talent show. But then their chief supporter, the popular new drama teacher, falls ill. No one turns up to the auditions, their efforts to persuade people it's cool to be green backfire dramatically, and the class bullies do their best to thwart their plans. It's a disaster! What can they do? This is the second book in this funny, topical series.
