Indulge in smart smut with Thinking Nasty Thoughts, a story about how sex transforms us. After the global financial meltdown, Jeremy has lost his job, his wife, and his self-respect. His libido - and his rage - are getting the better of him. To top it off, he's starting to imagine he's being tracked by a beautiful ostrich with a message. She suspects there's something juicier out there - and that the big red vibrator she just brought home can help her find it.
