Each chapter has specific tales of healing experiences and adventures with some being quite miraculous, or hard to believe really happened. The phrase lucky dog will definitely come to mind. You will find anecdotes to various life threatening viruses, illnesses, insect stings, or broken paws you likely didn t know you had or could have at your fingertips. This book was written to share these solutions with you many of them click-able within the book, or achievable via the techniques provided. This book is heart-warming, uplifting and inspiring. With over 10,000 words, 50 plus pages, and more than 80 fun and beautiful photos to express the tale with them it is truly an...
