BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Learn the rules to building loyal (and lucrative) digital followings . Renegades Write the Rules reveals the innovative strategies behind the social media success of today s top celebrities, brands, and sports icons, and how you can follow their lead. Author Amy Jo Martin is the founder of Digital Royalty and the woman who pioneered how professional sports integrate social media. In this audiobook she shows how to build a faithful following and beat the competition clamoring for people s attention by continually delivering value when, where, and how people want it. People want to be heard, to be involved, to be entertained, to be adventurous, to be informed. Reveals the winning strategies for using social media to achieve dramatic results Shows how to gain influence with social media that requires an unprecedented (and potentially uncomfortable) level of accessibility and ongoing affinity Filled with illustrative examples of social media successes (including Dwayne The Rock Johnson, Shaquille O Neal, and Nike) that show how humanizing a brand through social media leads to monetization Explores how Amy Jo Martin and other successful entrepreneurs are becoming renegades by using social media to innovate their personal and professional lives The audiobook reveals one of the basic rules of digital media success: Humans connect with humans, not logos and creative taglines.
