LA SEGMENTATION DU MARCHE DU TRAVAIL (PAPERBACK)

Univ Europeenne, United States, 2011. Paperback. Condition: New. Language: French . Brand New Book. L objectif de ce livre est de demontrer que le marche du travail tunisien n est plus un espace homogene au sens de la theorie neoclassique standard. Au contraire, il est segmente en divers secteurs a modes de fonctionnement differents. La division du marche du travail repose le plus souvent sur des differences de nature d emplois plutot que sur des differences de productivite. En Tunisie,...
