Reviews

This pdf is definitely worth getting. Better than ever, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Jeramie Davis)

PSYCHO MANIA: KILLER STORIES (PAPERBACK)

Skyhorse Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. When journalist Robert Stanhope arrives at the Crowsmoor asylum for the criminally insane to interview the institutes enigmatic director, Dr. Lionel Parrish, little does he realize that an apparently simple series of tests will lead him into a terrifying world of murder and insanity. In this chilling new anthology, compiled by multiple award-winning editor Stephen Jones, some of the biggest and brightest names in horror and crime fiction come together to bring you twisted tales of psychos, schizoids, and serial killers with occasional supernatural twists. Reggie Oliver revives Edgar Allan Poe s wily French detective C. Auguste Dupin, and there is a new story from the popular British mystery series, Bryant May by Christopher Fowler. Internationally best-selling author Michael Marshall also contributes to this collection with the return of The Straw Men conspiracy. An original wraparound sequence in the style of John Llewellyn Probert sets the tone for this dark collection of stories, as well as a hitherto unpublished introduction by Robert Bloch, author of Psycho and the inspiration for Alfred Hitchcock s famous film. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction--novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
