## UNDERSTANDING LADIES BODY LANGUAGE: MASTERING THE ART OF SEDUCTION THROUGH BODY LANGUAGE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.

The Most Common Mode of Communication Ladies prefer to use when they encounter someone they have interest in, is body language. Over the years, men have always misunderstood some of these signals and have ended up losing ladies that showed interest in them at first glance. After reading through this book, ladies body language won't be a mystery any longer. The book illustrates over two hundred and fifty single items of body language such as when a woman likes and dislikes an approach, when a woman is ready to kiss, when a woman is trying to block you out, when she is bored by your subtle response, when she is aroused and needs sex, and practically every other gesture a lady sends to a guy. Also covered extensively are tips to bring a woman closer through your own body language, entering her space, and ways that could easily arouse her without saying a word. This guide is perfect for men interested in not only learning more lady's body language, but also to use it to communicate effectively with her. Body language allows people to use subtle hints to convey interest or disinterest instead of having to resort to overt and possibly embarrassing tactics. This book represents the perfect foundation to dating and attraction, and without it you cannot fully master the art of seduction. It provides tactics to bring to consciousness non-verbal expression and at the same time increase its efficiency. Nonverbal expressions of liking, disliking, superiority, timidity, fear and so on, are explicitly treated. Robb Harold is a renowned dating coach, radio personality, and best-selling author.
