No Frills Buffalo, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Many poems take the form of past memories. They are colored through the prism and nourished by the music of the world. Some are there like whole pictures and words that take up phrase and form. The author reaches back into experience, at times allegory or story rings on the page. All the writing is washed with the dream state s diaphanous sphere that saturates the lines with animation and a sense of wonder. Characters in the poems are evil and good. There are bombers, dreamers, environmentalists, gunslingers, and creatures that populate the sensitive ecosystems. The poems bring emotion and life to elephants, rhinos, birds and the human experience. Mr. Savett creates tension, imagining individuals in dangerous situations that recall the author s life experiences.
