

Why Business People Speak Like Idiots: A Bullfighter's Guide

By Brian Fugere, Chelsea Hardaway, Jon Warshawsky

Tantor Media, Inc, United States, 2005. CD-Audio. Book Condition: New. Unabridged. 188 x 128 mm. Language: English . Brand New. This is just the kind of synergistic, customer-centric, upsell-driven, out-of-the-box, customizable, strategically tactical, best-of-breed thought leadership that will help our clients track to true north. Let's fly this up the flagpole and see where the pushback is. It's Monday. Time to hit the pause button on your personality and get ready for the next meeting because, for the next five days, we'll be speaking the language of business. And, from bloated jargon and monotonous memos to syrupy slogans and deadly dull presentations, the official language of business is bull. The second we get to work, we join the masses who trade the wit and warmth of their voices for a corporate stamp of approval and the comfort of conformity. This is not because of some evil corporate conspiracy. It's actually the result of four traps - obscurity, anonymity, hard sell, and tedium - that transform us from funny, honest, and engaging weekend people to boring business stiffs. But for you, this epidemic of bull and boredom is a real opportunity. All those human beings who trudged...
