Information Age Publishing, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This short, reader-friendly book is about best practice in joint ventures: the factors and processes which lead to success. True JVs can result in more stable and sustainable business, benefiting all partners, in whatever country they are located. The format of the book is intentionally conversational. It uses the Socratic method (question, answer, question, answer) which works so effectively in a case study classroom. Here the classroom is...
