Brand New Book ***** Print on Demand *****.Excerpt from Shop Sketching: A Course of Problems for Mechanical Drawing Students Shop sketching. The practical value of free hand sketching can not be overestimated. It is not too much to say that nothing that can be given in an elementary mechanical drawing course is of more importance to the man who expects to advance in the profession, and the student just beginning his-draft in g course will do well to bear this fact in mind. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
