Transworld Publishers Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Jack Reacher has no place to go, and all the time in the world to get there, so a remote railroad stop on the prairie with the curious name of Mother s Rest seems perfect for an aimless one-day stopover. He expects to find a lonely pioneer tombstone in a sea of nearly-ripe wheat . but instead there is a woman waiting for a missing colleague, a cryptic note about two hundred deaths, and a small town full of silent, watchful people. Reacher s one-day stopover turns into an open-ended quest leading to the most hidden reaches of the internet, and right into the nightmare heart of darkness. `Child s best for some time.with detective-story and romcom elements (even sly humour) on top of the psychological duels and set-piece violence Sunday Times.
