Excerpt: . . . current school year were asked whether they would participate in a service activity sometime before the end of the current school year. All students, regardless of their participation status, were asked whether their 3 schools arranged for student service activities or provided service opportunities at schools. In a separate question youth were asked if their school required students to participate in community service (e. g. , in order to graduate). All students also were asked if they thought they would be doing any kind of community service in the next year. Level of Participation An estimated 49 percent of students in grades 6 through 12 reported that they participated in a 4 community service activity during the 1995-96 school year (table 1). They were interviewed over the period January 2,...
