

Castle of Secrets (Paperback)

Filesize: 4.92 MB

Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Regency Gothic Romance Note: Previously published under the title of Stormcrow Castle Helena Carlisle turns down a convenient engagement because she is looking for more than a suitable match. Little does she expect to find it at Stormcrow Castle. When her aunt, the housekeeper at the castle, goes missing, Helena takes her place and finds herself irresistibly drawn to the castle's enigmatic owner, Simon, Lord Torkrow. As her feelings for him begin to deepen, she is certain they are returned. But when the castle's secrets begin to unravel, Helena must fight for love-and survival. Reviews A thoroughly enjoyable page turner. - Historical Novel Society How I do love Gothic novels, and here is a good example of the genre. Take a brooding castle on the moors, a sinister master, ghostly phenomena, a Mrs Danvers like lady's maid and a masked ball and stir them all together, then serve and enjoy. - My Shelf If you enjoy historical novels with romantic suspense in the Gothic tradition, then STORMCROW CASTLE is for you. Amanda Grange pens a well-written Regency Gothic that is a definite page-turner. Ms. Grange creates a satisfyingly eerie atmosphere at Stormcrow Castle where the reader can easily imagine almost anything happening within its walls. Torkrow is a perfect Gothic hero and Helena the perfect Gothic heroine. . . . Highly recommended. -The Romance Readers Connection Grange peppers her story with rich atmospheric details, from a masked ball to a cast of colorful locals. Fans of romantic suspense will enjoy this tale of intrigue and deception on the barren moors. - Publishers Weekly.
