KNIGHTS IN TRAINING: TEN PRINCIPLES FOR RAISING HONORABLE, COURAGEOUS, AND COMPASSIONATE BOYS (PAPERBACK)

TarcherPerigee, 2017. Paperback. Condition: New. Language: English . Brand New Book. Bringing chivalry back into our modern-day world, this book shows us how to inspire today's generation of young boys to pursue honor, courage, and compassion. In an age when respect and honor seem like distant and antiquated relics, how can we equip boys to pursue valor and courageously put the needs of others before their own? This book helps parents to inspire their boys by captivating their imagination and honoring their love for adventure. Heather Haupt explores how knights historically lived out various aspects of the knights Code of Chivalry, as depicted in the French epic Song of Roland, and how boys can embody these same ideals now. When we issue the challenge and give boys the reasons why it is worth pursuing, we step forward on an incredible journey towards raising the kind of boys who, just like the knights of old, make an impact in their world now and for the rest of their lives.
