FORTUNE S BLIGHT: SHATTERED KINGDOMS: BOOK 2 (PAPERBACK)

Quercus Publishing, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Inventive . . . absorbing and rewarding - KirkusThe rebellion is over. But their trials have just begun . . .Victory for the Shadari rebels has come at a terrible price. Hardship, superstition and a murderous cabal poison King Daryan s young regime, but help is nowhere to be found: the mercenary who led their rebellion has vanished, their Nomas allies have troubles of their own, and the Norlanders who returned home to plead - or fight - for the Shadari s independence have found themselves embroiled in the court politics of an empire about to implode. As the foundations of the two far-flung countries begin to crack, an enigmatic figure watches from a tower room in Ravindal Castle. She is old, and a prisoner, but her reach is long, and her patience is about to be rewarded . . . I loved these characters, even though I knew it was going to hurt. Heart-wrenching. Poignant. Lovely - Brandon Sanderson on Blood s Pride.
