Warriors Publishing Group, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In 1982-83, American Marines were stationed in Beirut with a vaguely defined mission to keep the peace. But once the PLO was evacuated and a new Lebanese president elected, Moslem terrorists assassinated President Gemayel and relentlessly pressed their guerrilla war, forcing the Marines to stay in The Root and to participate in an increasingly tense and dangerous mission. Written and now revised by a retired Marine Corps captain who served in Beirut, this brutal, fast-moving novel about the events that led to the massacre of the Marines is peopled with Moslem terrorists; Arabs wiling to lay down their lives to stop the fighting; tough Israeli soldiers who deride American peace efforts; wise-guy journalists; and--of course--the Marines. Outrage is a tribute to those Marines who gave their lives in Beirut and an expression of outrage at the events that occurred. Fast-paced, authentic, and at times disturbing, it is both an exhilarating testament to the sacrifice of those who served and an angry condemnation of the policies which led to the deaths of so many brave men.
